NIGHT AT THE THEATER

In September, two musicians from our church were able to participate in a community outreach event. Four groups from Arequipa and one visiting group from Bolivia came to show how traditional Andino music has been used to glorify God and share the gospel of Christ. Music that was once used to worship pagan gods is now being used to worship the one, true, living God.

NIGHT AT THE MOVIES

In the last several months, our church began an outreach to youth. Each month, we are going to offer "Movie Night" for local youth to come, have fellowship, and then engage with their peers in discussions about the movie. Last month, we watched and discussed "God Is Not Dead." It sparked some good conversations and was a treat for many who cannot afford a real movie theater experience.

NIGHT OF RECORDING

If you have ever wondered what a Peruvian recording studio looks like, this is it. A converted garage houses this tiny studio. Nate was recently able to play guitar for an album being recorded by the same two musicians from our church who also played in the previously mentioned community concert. We are excited to see what they will do with this Christian record.

GUTIERREZ HMA UPDATE

We are moving so fast it almost feels like whiplash! We began our Home Missionary Assignment (formerly known as furlough) one month ago, and so far we have spoken with six churches, in five different cities (La Mesa, CA; Escondido, CA; Ripon, CA; Salt Lake City, Utah and Chattanooga, TN)! We have been overwhelmed by the sweet reception and kindness of the churches and supporters receiving us. Please pray that these visits would also help us regain support that has been lost over this first term of missionary service.

Please also pray for stamina for our kids and for us as we move from bed to bed and begin our Tennessee-Alabama-Mississippi "tour"! We are already exhausted, and we still have 16 more cities to visit over the next four months!

One month down, four months to go!
